CHK	Chesapeake Energy ...	2.58	-0.12	-4.44%	15,944,233	

This report is a listing of the highest volume shares on February 29th. What does “highest volume?” indicate?

Approximately how much value has been traded in Nokia stock on this day?

Cassidy owned 20,000 shares of Bank of America as of this report and the company paid a \$0.15 cash dividend. What was Cassidy’s dividend income as a result?

Millina owned 12,000 shares of iPath as of this report and the company paid a 5% stock dividend. Describe what happens as a result. What was Millina’s dividend income?

Laura owned 50,000 shares of SunEdison as of this report and the company paid a \$0.42 cash dividend. What was her dividend income as a result?

Luis owned 12,000 shares of Freeport as of this report and the company paid a 8.5% stock dividend. How many shares would he have now? What was his dividend income?

Given what you learned in class, does it make sense that any of these stocks would split? Why or why not?

SIRI	Sirius XM Holdings Inc.	3.73	+0.04	+1.08%	13,312,923	
AAPL	Apple Inc.	97.78	+0.87	+0.90%	13,265,618	
VALE	Vale S.A.	3.00	-0.03	-1.00%	13,077,054	

Ben's 4000 shares of Apple split 2-1. Describe how many shares he has, the value of each share, his overall position in Apple, and any change to his position's value because of the split.

Would Sirius be as likely as Apple to split? Explain.

This is a chart of recommendations by analysts of different stocks. It gives their opinions of the stocks, or more specifically, changes to their opinions.

Symbol	Company Name	Analyst	From	To
ALDW	Alon USA Partners	Tudor Pickering	Sell	Hold
CPB	Campbell Soup	Goldman	Sell	Neutral
DYN	Dynegy	Guggenheim	Neutral	Buy
E	Eni S.p.A.	Citigroup	Neutral	Buy

For Eni S.p.A, what did Citigroup say? Are they bullish or bearish on the stock? Give a reason for your answer.
